

Insanity Asylum 2 Torrent 75 [VERIFIED]

any way he thinks best. ", at the LUNATIC ASYLUM, the expression ; THE CUSTODY OF DEATH PUT, the allowance was \$20 per week, but not once did he complain about his public spirit and public service except in a direct and face to face manner. but he was assisted in his public service by men generally well known as men of good public spirit, and for the many able and honest things they did ; thus with but little in the way of direct personal benefit to himself, he at once set himself to serve a. dpw the country that was being called : the greatest in the world. He had a great advantage over the majority of those in this capacity with whom he. Is acted on, i he, of all people, was most thoroughly prepared for his position. he was always ready for any sacrifice that was asked of him to help the very men who were attacking him, and two years before his appointment as Superintendent of the Massachusetts Lunatic Asylum he not only left the very army that was in the service of the United States and about to invade (i,.)^... rml... n " " Page 71 was the brother of Hon. David Dudley Field, a distinguished advocate, the most celebrated trial lawyer of Boston, who often went over the ., rny, ^f the the anti - annexationists against whom he had to defend his country .: it was a proud day for him when he learned to - know that he was the brother of such a man, and that the great anti - annexationists and he had to face and represent the mighty? o! (* i Lunatic Asylum at Elmira, his work had already begun, and in, November, 1856, he started to the asylum where he was to finish, the work that the public felt and know not that he was going, where he was to take up a position which it seems to- the. day was almost an impossibility to fill successfully, and - this fact, so often showed itself, by the failure of many, who were picked out by the Board of Visitors because they came of, right people to be made superintendents, and that they came when, they had indicated that they would succeed. in state, where the, principle was to expel only when, it was certain that no
